

REDEEMER CHURCH

ST. ALBANS, VT

A JOYFUL WORD

AUGUST 2025

Redeemer Church family,

I want to say thank you for the support that each of you provided, both financially and through your faithful prayers, for our recent trip to Tbilisi, Georgia. It was an incredible trip and a blessing to be part of a missionary conference where missionaries from around the world—particularly those serving in Central Asia—came together for rest, encouragement, and spiritual renewal.

Our team from Redeemer—Katie Wilson, Jon Bilodeau, Trina Rodd, and myself—teamed up with a team from New King Church as well as with a team out of Kansas, and we had the privilege of serving the missionary kids by running a Bible camp just for them. While their parents were being refreshed, we were able to invest in the lives of these incredible kids through Scripture, games, crafts, pool time, and many other things. Most of these kids were born in the USA, but have spent most of their lives as “Third Culture Kids”-- or TCK's. Because of this, they greatly appreciated the time that we spent with them as well as the simple treats that we often take for granted here in the States.

None of this would have been possible without your generous support and continued prayer. We look forward to sharing all about our trip and answering your questions very soon when we are able to reschedule our “Mission Trip Tell-All”.

I pray that even as a small church plant like ours we are able to continue taking regular mission trips like this one. I always return from mission trips with a fresh and encouraging perspective on the global mission of spreading Christ's Kingdom, and I want to see as many of you as possible be able to experience this as well! Thank you for being a sending and supporting church.

In Christ,
Pastor Paul Wilson
