RESOURCE SPOTLIGHT

I (pastor Michael) have the privilege of being part of a ministry called Small Town Summits which aims to equip and encourage pastors and ministry workers around New England. This month's resource spotlight is the [Small Town Summit website](#) that is filled to the brim with articles, podcasts, and other resources all aimed to aid in ministering to those in small towns, like our own! I pray that you find this resource helpful and encouraging to your soul!

We seek to glorify God by shining the light of Jesus to the wayward and the lost.

## Redeemer Kids Resource Spotlight

This month, we recommend the Tiny Theologians podcast. It's filled with God's attributes. Following the ABC's of God's attributes, each episode features one letter of the alphabet and the corresponding attribute of God. There's even corresponding cards you can buy to go along with the episodes!
